

You should join our team...become a volunteer at the **BATSHAW YOUTH AND FAMILY CENTRES!**

The Batshaw Youth and Family Centres are part of the Montréal West Island IUHSSC. With campuses across Montréal and in the lower Laurentians, Batshaw Centres is at the vanguard of front-line care for English-speaking children, youth, and their families.

We carry on a 200-year tradition of services dedicated to the welfare of children and their families. And we are proud to provide cutting-edge care, innovation, and teaching.

Become a volunteer! You can make a positive and meaningful contribution to the lives of a young person and their family!

Volunteers help by tutoring youth who need homework support. Volunteers act as mentors to those who need a "big brother" or a "big sister". Volunteers provide support to children living in group homes, teaching them arts and crafts, music and singing, playing games, and so much more. The list is long!
