

You should join our team...become a volunteer at the DENIS BENJAMIN-VIGER RESIDENTIAL AND EXTENDED CARE CENTRE!

Nestled in a quiet wooded corner of Île-Bizard and part of the community since 1981, the CHSLD Denis-Benjamin Viger is part of the Montréal West Island IUHSSC.

We are a long-term care residence with 125 residents who have physical or cognitive challenges.

Become a volunteer! You can make a positive and meaningful contribution to the lives of our residents and their families!

Volunteers visit residents, help them during recreational activities, provide nail care and hand massages, and accompany them on outings. Volunteers also provide support to the pastoral team and offer administrative support... and much more!
