

You should join our team...become a volunteer at the RESIDENTIAL AND EXTENDED CARE CENTRES IN DORVAL-LACHINE-LASALLE!

The residential and extended care centres in Dorval-Lachine-LaSalle are part of the Montréal West Island IUHSSC. We provide extended care adapted to the needs of our residents in a homey atmosphere.

Our five locations are home to over 700 residents: CHSLD LaSalle, CHSLD Lachine, CHSLD Nazaire-Piché, CHSLD Dorval, and the beds reserved at the Hôpital de LaSalle. Our residents are endearing, generous and rich in life experience.

Become a volunteer! You can make a positive and meaningful contribution to the lives of our residents and their families!

Volunteers are integral to our leisure and recreational activities, including community meals, monthly birthdays, annual parties, spiritual support, musical activities, board and memory games, outdoor walks, gardening, social visits, support during outings, and help at mealtimes. Our volunteers also participate in sewing, knitting, and helping residents with errands. In addition, they organize fundraising activities and offer administrative support. The list is long!
