

Our values

RESPECT

Every person is treated with dignity, integrity, and consideration.

COMMITMENT

Individual and collective responsibility is leveraged to provide accessible, appropriate and adapted care and services.

COLLABORATION

Strengths, expertise, and ideas are combined to meet the needs of the population.

COMPASSION

Listening, compassion and genuine consideration are extended to users, their close relatives, and colleagues.

EXCELLENCE

Excellence guides our actions in order to ensure the quality, safety, efficiency, and continuity of the care and services provided.
